Subject: ITT Enidine compliance with the requirements of the Dodd-Frank Act
(Conflict Minerals)

Reference: Amendment to the Securities and Exchange Act of 1934 (new section 13(p))

To Our Valued Customers:

ITT Enidine Inc., as well as its parent, ITT Corporation, are aware of the requirements implemented by the SEC to assure compliance with the **Dodd-Frank Act**, and the use of "Conflict Minerals" from the Democratic Republic of Congo ("The Act"). ITT Corporation is a publicly traded company and will comply with all SEC regulations and requirements necessary for compliance with the Act.

Regarding site specific information; ITT Enidine has performed an initial sweep of its suppliers, vendors, sources of supply, and in-house material requirements and, as of this moment, believes that none of the materials associated with "the Act" are present in, necessary to the functionality, or necessary to the production of our provided product.

ITT Corporation will comply with the act, as implemented via the SEC, and ITT Enidine will continue to review its operations to insure compliance with the Act in support of our customers and the ITT Corporation filings.

Should you have any questions regarding this letter, please feel free to contact the undersigned at 716.662.1900, extension 234. I may also be reached via email at Mark.Wierzbicki@ITT.com
