RE: Dodd-Frank Conflict Minerals Compliance

Dear Customer,

This letter is in reply to your request concerning Dodd-Frank Conflict Minerals Compliance.

To the best of our knowledge, based on information supplied by our raw materials suppliers and component vendors, LDI Industries states that the products it supplies to Sunsource do not contain metals derived from minerals defined as Conflict Minerals, which include tantalum, tin, tungsten and gold.

Thank you for your business and if I can be of further service, please feel free to contact me

Best Regards,

Wayne Hackelberg
